Assessment Activity 1

NAME: David Arnold (3197853) STUDENT NUMBER: 13197245

There are three parts to Professional Assessment Activity 1.

- 1a) Prepare feedback for at least 3 peers on the their portfolios, including their landing page, about me, resume, learning journal. Comment on evidence of each students' readiness to apply for jobs/internships, and evidence of activity to get connected with industry.

Peer #1 name: Ana Triton

1. Which of the following has this peer completed?

☒ 'About me' section ☒ Resume ☐ a journal entry about attending an event ☒ photo journal entry

2. What is your feedback to this peer?

a) Positive

• Addition of a project

• Page layout is clear

b) Improve

• About me is decent

Resume quality slightly hard to read

Journal Entries are difficult to read

Professional Photo

c) Anticipated positive results

All the basics are there UXLVI is what needs most work, but easy to improve

Peer #2 name: Aaron

1. Which of the following has this peer completed?

☒ 'About me' section ☒ Resume ☐ a journal entry about attending an event ☐ photo journal entry

2. What is your feedback to this peer?

a) Positive

Journal entries have lots of depth

b) Improve

• No resume or photo journal to back up. Resume difficult to find

c) Anticipated positive results

These additions should be fairly easy, as the framework is already laid out

Peer #3 name: Azmar

1. Which of the following has this peer completed?

☒ 'About me' section ☐ Resume ☒ a journal entry about attending an event ☒ photo journal entry

2. What is your feedback to this peer?

a) Positive

About me section is quite detailed

Journal entries are quite detailed, interesting

b) Improve

Resume section needs filling out

Many blank section linked to

c) Anticipated positive results

Easy to make these changes & significantly improve portfolio.

Peer #5 name: Evie

1. Which of the following has this peer completed?

☒ About me section ☒ Resume ☐ a journal entry about attending an event ☒ photo journal entry

2. What is your feedback to this peer?

a) Positive

Resume is good, albeit difficult to find

Pictures are good

b) Improve

Text colour mixes with the background

Not much detail

c) Anticipated positive results

Many UX & layout changes to be made, will improve site significantly

1b)

Provide this feedback verbally in your tutorial class

1c)

Write a summary of the feedback you have received from your peers in your tutorial, and how you plan to respond to this feedback.

- Resume as PDF rather than zipped folder
- Possibly more detail
- Employability analysis
- More colours & be more creative
- More detail in about me
- Critical Incident
- Photographs
- Heading names
- Job search
